## Coaching & Mentoring

As a team leader for Ray Comfort's Ambassadors' Academy evangelism training and the [Testify](#) witnessing training camp, Tony enjoys taking Christians on the street and teaching them how to smoothly engage an unbeliever in a natural way, transition to the spiritual realm, use the law to bring the knowledge of sin, and proclaim the [glorious gospel of Christ](#). One of his greatest joys has been to see his teenagers running gospel outreaches on their own, leading their peers in witnessing.

## Thoroughly Biblical

Trained in Biblical Counseling along with decades of experience in verse by verse, expository preaching, Tony inspires courage in the authority and sufficiency of God's Word. ## What Others are Saying:

“Tony Ramsek has a deep passion for reaching the lost with the gospel message. He led evangelism events for Answers in Genesis for over twenty years, including reaching out into hostile venues such as the NEA public school teachers’ union.

As a dynamic speaker, he stands on the authority of the Word of God from the very first verse. Tony has a keen grasp of creation apologetics and is gifted in training Christians how to effectively share their faith starting with Genesis. His specialty is coaching others to proclaim the gospel on the streets.

I wholeheartedly encourage you to have Tony in your pulpit, he will equip your church with answers to common questions and give you practical tools for a lifetime of sharing the gospel with others.”

*Ken Ham, CEO of Answers in Genesis, Ark Encounter, & the Creation Museum*

“The Body of Christ needs more faithful men of God like Tony. He has a deep concern for the lost—to where he not only teaches how to biblically reach them, but he does it personally. This is why we have trusted him as one of the leaders of our Ambassadors’ Academy. May God bless him in everything to which he puts his hand.”

*Ray Comfort, CEO of Living Waters, Author, and Host of “Way of the Master” TV Series*

“Passionate, inspiring, and humble, Tony Ramsek has a tremendous desire to reach the lost and equip the church in evangelism, apologetics, and the Scriptures. I cannot commend him to you enough.

Tony is skilled in The Way of the Master, that is how to use the Law to proclaim the gospel on the streets. He has a strong grasp on the sinfulness of man and the amazing love of God to overcome that sinfulness. Theologically astute and trained in Biblical Counseling, Tony brings decades of expository, verse by verse teaching to pulpits.

As my friend and fellow witnessing trainer of Christians from around the world, I HIGHLY recommend Tony as a speaker/teacher because I know he would be a great fit to equip your church for the work of ministry.”
