Exciting Ministry Expansion

Gospel EQUIP

The Lord has taken us on an exciting journey of serving Him and proclaiming the gospel to the world. When the Lord moved us from 24 years at Answers in Genesis almost three years ago, we had no idea how many doors He would open for the glorious gospel of Christ. But by God's grace, He has allowed us to preach the gospel and equip the saints for evangelism all over the world!

I praise the Lord that He is not only adding to His kingdom through our evangelism efforts, but He is also using Gospel Equip to multiply gospel witnesses by equipping the saints to do the work of evangelism. As Paul wrote, Christ gave evangelists, pastors, and teachers "to equip the saints for the work of ministry" (Ephesians 4:11–12). That means even after we leave a place, Christians can continue proclaiming the glorious gospel and watch God use His Word to save souls of men & women, boys & girls for His glory.

Now we are excited to announce that the Lord is expanding this ministry in even greater ways! We are taking a huge step of faith by transitioning from tentmaking and ministry work into full-time evangelism training and gospel outreach missionary work. When we left AiG three years ago, the Lord graciously opened the door for me to do IT work for Ray Comfort and Living Waters in a part-time contract capacity. I am deeply grateful for that provision.

But now the Lord has so multiplied the ministry of Gospel Equip that we believe it is time to take this next step of faith and ask the body of Christ to support us as full-time missionaries—stationed in America, but reaching the world with the glorious gospel. Would you prayerfully consider partnering with us through a monthly donation to help us get the word of truth to a world that is lost and dying? Jesus said, "The harvest is plentiful, but the laborers are few" (Matthew 9:37), and we want to give ourselves more fully to that harvest.

PARTNER WITH US TO SHARE CHRIST

That is why we are asking you to prayerfully consider partnering with us monthly as we step into this next season of full-time ministry. Your support would help free us to devote ourselves more fully to preaching Christ, equipping the saints, training churches, leading outreach teams, and taking the gospel wherever the Lord opens the door.

We do not want this ministry to be built on personality or promotion, but on Christ, His Word, and the joyful partnership of His people. As Paul wrote to the Philippians, I thank God for your "partnership in the gospel from the first day until now" (Philippians 1:5). Would you ask the Lord if He would have you become one of those gospel partners with us through a monthly gift?

Thank you for praying for us, encouraging us, and considering how you might stand with us in this work. We are asking the Lord to provide, to guide, and to use Gospel Equip for the glory of Christ and the salvation of many.

Equipped the saints at a Messianic congregation through an evangelism training conference. God opened the door to teach Creation Apologetics in the only Christian high school in Jerusalem.

I preached the gospel on the street of Seoul, Korea. In Japan, we shared the gospel Tokyo, Kyoto, Osaka, Hiroshima, Iwakuni, and finally Okinawa. We helped local churches' evangelism teams.
